The Founders

Emmanuel Oluwayemi, PhD
Founder & President

Blessing Oluwayemi
Co-Founder & Board Member

Life Builders Ministries International was founded by Dr. Emmanuel Oluwayemi & Pastor Blessing Oluwayemi in 2001 as a divine call to respond to the holistic needs of orphans and widows impacted by the HIV/AIDS epidemic in Africa. After Emmanuel completed his PhD in Educational Leadership at Trinity International University in 2008, the couple moved back to Nigeria, where Emmanuel spent twenty five years on the faculty of the West Africa Theological Seminary (WATS) in Lagos, serving as a Professor, Academic Dean and Vice President for Academic Affairs. He currently serves as the Chairman of the Governing Council of the same seminary in addition to serving as Chair of the Board of two other seminaries in Nigeria as well as the Deputy General Overseer of The Gospel Faith Mission International (GOFAMINT), an indigenous evangelical church with over four thousand branches spread across five continents of the world. Blessing, a full-time minister of over thirty years, currently serves as the International Women Director of GOFAMINT. Blessing is currently completing her M.A in Christian Leadership in WATS. Through over three decades of ministry, Emmanuel and Blessing have built a network of Nigerian church leaders who now form the core of Life Builders' leadership team.

Our Mission

We address poverty in Nigeria by caring for widows and orphans through the provision of education and healthcare.

Our Vision

We envision a truly transformed Nigerian society free of poverty where all orphans and widows receive holistic care and become important contributing members of the society.

Building Lives

To date, our ministry has helped over 100 poverty-stricken families receive low-income housing, and more than 100 widows and 500 youth program graduates have received economic empowerment training. Over 200 families have benefitted from the Small Business Loan program, and over 300 orphans and vulnerable children have received sponsorship through the home-based orphan sponsorship program, with nearly 200 currently being sponsored. Life Builders Hospital and the Alakuko Hospital Clinic serve a local community of over 35,000 people who would otherwise be without healthcare. Life Builders Academy now features a boarding school and current enrollment exceeds 200 students from Kindergarten through 12th grade.
